‘ مستند نهائي ومناقشة ‘

Uno dei fondamenti di ogni democrazia è il principio di uguaglianza tra uomo e donna; laddove non è stato ancora pienamente attuato, diventa un obiettivo da raggiungere. Il Seminario pone le basi di una cooperazione bilaterale Italia e Libia sull'attuazione di un sistema legislativo, amministrativo e giudiziario che riconosca alle donne, e concretamente applichi, pari diritti in ogni ambito sociale e morale.

*One of the foundations of any democracy is the principle of equality between men and women; where it has not been fully implemented, it becomes a goal to be pursued. The Seminar lays the basis of bilateral cooperation between Italy and Libya with regard to the implementation of a legislative, administrative and judicial system that recognizes the equal rights of women and ensures their actual application in any social and moral field.*

إحدى دعائم كل ديموقراطية هو مبدأ المساواة بين الرجل والمرأة ؛ وحيث لم يتم بعد تطبيق هذا المبدأ كليا ،  
يصير هدفا واجب التحقيق . ترسي الندوة قواعد التعاون الثنائي بين إيطاليا وليبيا بشأن تحقيق نظام تشريعي  
وإداري وقضائي يعترف ويطبق بشكل ملموس حقوقا مساوية للمرأة في كافة المجالات الاجتماعية والمعنوية .
